KAYLANA

RARE OIL

Kaylana Rare Oil is inspired by a recipe
dated back to the Royal Indian Empire.

Its concentrated phytonutrients,
multi vitamins and antioxidants will
protect, hydrate and heal your skin
while reducing the appearance of fine
lines and premature aging.

RARE OIL

Apply a few drops of Kaylona to clean, damp skin across your forehead, cheeks and chin. Massage it gently all the way down to your neck and chest. A little product goes a long way. Allow the serum to sink in before applying your moisturiser (optional) and/or your makeup. If applying at night, complete your regimen long before you get into bed. The pillow to allow maximum relaxation time. Can be used as a masque by applying twice.

100% Unrefined, Wild Harvested. Raw Ingredients hand-picked by our tribal farmers located in the foothills of the Himalayas. Proprietary Plant Blends macerated for up to 3 months for maximum potency.

HUILE RARE

Conseil d'utilisation: Appliquer quelques gouttes d'Huile Rare Kaylona sur votre peau propre et humide. Massez votre front, vos joues et votre menton, jusqu'à la poitrine. Quelques gouttes suffisent! Laissez pénétrer avant l'application de votre crème hydratante (si nécessaire) puis posez bien avant de dormir afin de permettre l'absorption intégrale du produit.
